Is a school of choice for students who are 16 years of age and over, and who find that their local community high school's program or environment does not meet their needs.

Attracts students within the Winnipeg School Division No. 1 and beyond. Housing approximately 200 students in grades S2-S4. Students often choose Argyle for its personalized atmosphere and individualized programming.

The program is essentially an academic one, which features integrated instruction, team teaching, and continuous progress. Strives to make a difference in the lives of the students by providing them with a nurturing school environment and opportunities for greater success.

The supports provided help students develop as independent learners, mastering skills that can be applied now and in the future. Believes that a large part of a student's success depends on the student's ability to function independently as well as collaboratively.

Argyle is a school without bells and everyone goes by a first name basis. Offers staff/student workshops on school-related issues and run various extra-curricular programs. Potential students have the opportunity to register at several intakes throughout the year.
